

# KEEP UP WITH THE LATEST IN PAIN MANAGEMENT, AND THE SAFE, NON-DRUG PROVANT® THERAPY SYSTEM

## Follow Regenesi s Biomedical on Social Media

October 2016 Newsletter

The majority of clinicians use social media for professional purposes. A survey by The Journal of Medical Research showed it's perceived as an efficient way to access high quality medical information.

Pain management is often a challenge for patients and caregivers. Provant Therapy from Regenesi s Biomedical Inc. is a safe, non-drug option to consider. Follow Regenesi s on social media, and we'll help you keep up with the latest pain management news:
