

## THE SERENITY CLUB: RECOVERY FROM ADDICTION

### We are Proud to Sponsor Their Event That Raised Funds for Helping People in Need of Addiction Recovery Support

May 2019 News Update

The Serenity Club of Alexandria, Virginia, a nonprofit organization, has helped recovering addicts by hosting Alcoholics Anonymous and similar meetings on Richmond Highway for over 30 years. The club has helped thousands of people in recovery in the local area.

In May the Serenity Club hosted the *Serenity Now* golf tournament at the Fort Belvoir Golf Club. The event successfully raised funds to continue helping people in need of recovery support. You may donate and learn more about their vision [here](#).

Opioids have their place in pain management. They work, and many patients benefit from them. Often alternatives are necessary, such as safe, non-drug, non-addictive, pain management medical devices.

For postoperative pain relief, consider Provant® Therapy. Provant is dual-field electromagnetic therapy, proven in clinical trials and real-world patient experiences to provide meaningful pain relief and improved quality of life. To learn more about Provant Therapy, please contact your RegenesiS Biomedical representative, or visit [www.regenesibio.com](http://www.regenesibio.com).
